

The Netherlands delegation at IDFA 2020

The Dutch delegation at IDFA 2020 is organized by SEE NL in collaboration with a.o. the Netherlands Audiovisual Producers Alliance (NAPA) and Dutch CORE Media.

SEE NL - Films from the Netherlands

SEE NL, a collaboration between Eye Filmmuseum, Netherlands Film Fund & Film Commission, is dedicated to the international promotion of Dutch films, film professionals and film culture.

We provide information and services for Dutch filmmakers and (international) press, festivals, sellers and buyers. Together with our partners, we organize Dutch delegations and support the overall presence of Dutch films and film professionals at international festivals and markets. Our representatives attend international film festivals and markets worldwide to keep in touch with current productions and to establish and broaden contact with the festival programmers, local press, sales agents and distributors.

Annually we publish the SEE NL Film Catalogue, providing a survey of current Dutch film-making from features, documentaries, shorts, animation to experimental films. Furthermore, we provide online articles and interviews about the latest Dutch film productions and most recent developments within the Dutch film industry. Please [visit our website](#) or follow us on Facebook.
